

2021 Year-end Fun Challenge

Our club organized a series of virtual events for our members to bring everyone “together” to run, to race and to connect, as we brought 2021 to a close. Thank you, members, especially the organizing committee and participants, for your support and participation. Hope this virtual event has brought some fun and joy to you, be it as a participant or a ‘spectator’.

Below are the lists of prize winners and results of the various challenges. (The organizing committee will contact you to make arrangement for the collection of prizes.)
